SEWING MACHINES!

Grover & Baker's Is decidedly better for Family use than any man-ufactured. One very desirable feature in these improved Machines, is, that when compared with all others, they are noiseless. Diagrams prove the superiorty, strength and elasticity of the stitch, and the following testimonials prove the perfect adaptation of the Machine for family and planta-

EDGEFIELD DISTRICT, S. C., July, 1859. The undersigned having had a Grover & Baker Sewing Machine, purchased of M. A. RANSON, in use in our families for some time past, take pleas ure in giving our testimony to its complete adaptation for family and plantation work, making a seam of givent strength and clasticity, is very simple, easily learned and kept in order, and running with so little noise as not to interfere with conver-sation, if carried on in an ordinary tone of voice in close proximity to the machine. We regard these

A. J. HAMMOND,

MR. M. A. RANSOM-Dear Sir : The Grover & Baker Sewing Machine which I purchased of you last winter, has given entire satisfaction. I have seen many favorable notices published about these Machines, and from our experience, we believe them all without exageration. Doubtless, when more generally known, they will be in general use, and accomplish what Hon. Mr. Banks says, "work as great a change in families, as railways have in communities and States Respectfully, yours, D. D. BRUNSON.

REV. T. F. WILLIAMS, of this District, writes thus, Mr. M. A. Ranson-Dear Sir: I am pleased to say that the Grover & Baker Machine bought of you, works as well as I could desire. My wife tinds no trouble in working it. Before purchasing. I examined other Machines, but did not like the stitch near as well as that made by the Grover & Baker. With my knowledge of these Machines. and what I hear from others, I am thoroughly convinced that no Machine can favorably compare with them for family use.
